Invitation to Ten-year celebration of the MGG Programme

Dear Prof. Dr. LI Xiaoyun,

It gives me great pleasure to invite you to the ten-year celebration of the Managing Global Governance (MGG) Programme as part of the global MGG alumni conference, 20-24 November 2017, in Bonn. The event brings together key partners like yourself and alumni of the MGG Academy to discuss current challenges of global governance and future activities of the MGG Network.

To facilitate your participation, we will provide you with round trip air tickets (economy), hotel accommodation (Hotel Maritim, Bonn), joint meals and public transport. We ask for your kind understanding that any additional expenses will have to be borne by participants.

For administrative reasons, we would like to book the flight for you (arrival 19 Nov, departure 25 Nov). However, if you prefer, you could purchase the ticket yourself and be reimbursed by us, according to the quote by our travel agency.

Further information on the event will become available in a short while. We are delighted and honoured that you have already expressed your intent to participate.

With kind regards

Dr. Thomas Fues
