Dear Dr Liang,

I am pleased to invite you to the Department 'Anthropology of Economic experimentation', Max Planck Institute for Social Anthropology Halle, Germany, as a visiting scholar, subject to your successful application for a scholarship from the China Scholarship Council (CSC). The expected period of visiting will be from October 2024 to October 2025, during which you will be conducting research on social organizing of platform workers in Germany. The working language is English.

I will act as your research advisor during your stay at the Max Planck Institute for Social Anthropology and mentoring you on your proposed research. All expenses including insurance, travel and living accommodation will be sponsored by CSC. There will be no tuition fee.
